54,56 8.58 CHURCH While our competitors are growing nervous and indulging in very extravagant ; language and in wonderful manipulation of figures, we are still quietly and steadily doing business at the old stand and constantly gaining in the confidence of the public by our straightforward methods of doing business.

The old saying that figures don't lie was exploded long ago. Figures in the hands of an accomplished manipulator are anything but truth ul. Competition on paper, we confess, is beyond us, but straight competition on values, quality and style we are prepared to defy and defeat at every turn. When considering others' figures compare our
